Quality of Education

- To be engaged, challenged and *inspired* by our curriculum.
- To be supported to be the best we can.
- To be green mouse readers.
- To be green mouse writers.
- To be green mouse mathematicians.
- To understand how we can make our work even better!

Challenging

Behaviour and Attitudes

- To demonstrate positive relationships and behaviours – in class and around the school, including in the playground.
- To be at school on time and when we should be.

Evolving

School Development & Improvement Plan 2024-2025

What we need to do to get even better!

4

Inspirational

Leadership & Management

- To be supported by school grown-ups who develop their own expertise, interests and talents.
- To make sure everyone is fully involved in the life of the school.
- To make more links with Stanford Junior School.
- To make sure we are using the school's money as best as we can.
- To understand whom the Governors are and what they do.

Passionate

Personal Development

- To be equipped with the knowledge and skills to make safe and informed choices, including when using online technology.
- To stand up to racism and celebrate diversity.
- To be empowered to be change makers through the 'Our City, Our World' programme.
- To develop our understanding of healthy lives, bodies and minds.
- To develop healthy lifestyles through our PE and Sport activities.
