Project Update: Miss Denyer informed the School Council reps that we had now received playground designs from three companies but we were still waiting for all the quotes. Miss Denyer showed the children the three designs and the reps voted for their favourite one. The most popular (13/15 votes) was the Caloo Double Play Tower. Once the quotes have all been received, another School Council Meeting will be organised, so a final decision can be made and School Council reps can contact the company.
