Welcome: Willow from Ocean Class read the agenda.
Minutes of Last Meeting – Miss Denyer went through the minutes of the last meeting and these were agreed as correct.

School Development & Improvement Plan for 23-24: Miss Denyer reminded the children's version of the School Development and Improvement Plan (SDIP) for this academic year – the focus of the School Council would be SDIP Priority 3 – To develop our understanding of healthy lives, bodies and minds and to develop healthy lifestyles through our PE and Sport activities.

Project for 23/24: Miss Denyer informed the School Council reps that three companies had visited the school site and we were just waiting for one company to share their design and quote for the playground re-design.

Miss Denyer said she and Mrs Slater had met and discussed the equipment available at play and lunchtimes. Miss Denyer said they would like to understand what the children would like to have available. The School Council Reps then made some suggestions:
Arlo (Ocean) – more skipping ropes and one long rope for skipping games. Outdoor jigsaws.
Ellis (Pavilion) – a range of balls and a better football.
Cleo (Palace) – Monster Trucks.
Willow (Ocean) – Trampolines (small ones sunk into the ground).
Reception – more bouncy hoppers.
Miss Denyer asked that the School Council Reps ask their teachers for some time to canvas opinion about the resources they would like and these would be fed back at the next meeting. This could be replacing items we already have or making suggestions of new equipment the children would like to keep them actively engaged at play and lunchtimes.

Class Feedback: there was no Class Feedback.
AOB: there was no AOB.
